Chinese New Year is the longest and most important of the Chinese holidays. 2012 is the Year of the Dragon. Those born under this sign are said to be energetic, intellectual, ambitious, and magnanimous with tendency to be over-confident, impatient, and eccentric.

This event is co-sponsored by the Longmont Multicultural Action Committee, and is hosted by the Silver Creek Leadership Academy. A-PAL is a volunteer organization whose goal is to facilitate Asian participation in City programs, and to provide opportunities for social networking and cultural interchange.
